- 10.1 All matches shall be played under the laws of the game as adopted or laid down by Squash S.A.
- 10.2 Squash balls used in league matches shall be provided by the home team and shall be the Revelation Pro (Double Dot) ball. The home team shall provide the lights.
- 10.3 All players shall wear clothing conforming to appendix (vi) of the rules of squash e.g. predominantly white shoes with non-marking soles.
- 10.4 Buffalo City Squash shall have the power to take disciplinary action against any player, team or club for misconduct.
- 10.5 The powers of Buffalo City Squash in this regard shall include the right to suspend any player, team or club from participating in the league for any period under its direction or declare points, which have been earned, forfeited.
- 10.6 Any alleged misconduct will be communicated to the offender prior to any disciplinary action.

## **11. DISPUTES**

- 11.1 Any disputes arising out of a fixture shall be referred to the league convenor(s) in writing within 48 hours of the fixture date and time.
- 11.2 The dispute shall then be referred to a panel consisting of the 3 league conveners.
- 11.3 Any decision made by the league convener(s) or league committee panel of Buffalo City Squash concerning the interpretation of the rules and regulations and implementation thereof, shall be final.

## **PAR SCORING (POINT-A-RALLY)**

The world Squash Federation recently changed the method of scoring to PAR 11. After national discussion with the provinces, it has been decided to introduce PAR scoring in the Border Leagues.

To avoid drastically shortened matches, only 1st league will play PAR to 11, while all the other leagues will play PAR to 15.

A game must be won by two clear points.

It is still the best of five games.

The Buffalo City Squash Closed will be played this way as well.
